- * 2 layers of cotton and wool
- * 2 layers of hand-teased A-lyx horsetail hair
- * 1 layer of cotton and wool

2. Hästens 2000T Middle Mattress

Elevates the concept of sleep comfort, as if you are lying on a cloud

- * 2 layers of bolster fabric of durable virgin cotton
- * 4 layers of hand teased A-lyx horsetail hair
- * 10 layers of cotton and wool
- * 1 pocket spring system, 18cm high, with springs that act individually and never hook into each other
- * 4 reinforced corner springs (covered in soft flax), to ensure both comfort and stability when you sit on the edge of the bed
- * Reinforced edge springs along all sides, to prevent you from rolling out of the bed and to make it easier to get up
- * Piping that gives the mattress its elegant shape
- * Meticulously placed side-stitching, which increases both stability and pliability
- * 4 robust handles on the long sides to make it easy to turn the mattress

3. Hästens 2000T Base

Unwaveringly stable. Absorbs and distributes the pressure from your body over the entire surface

- * 1 layer of bolster fabric of durable virgin cotton
- * 1 layer of hand-teased A-lyx horsetail hair
- * 2 layers of cotton and wool
- * 1 pocket spring system, 8cm high, with springs that act individually and never hook into each other
- * 2 layers of flax that provide sound insulation and conduct static electricity away
- * 1 Bonnell spring system, 13cm high, with machine-knotted coil springs
- * 1 frame in solid, slow growing Swedish pine with finger joints, 16.8cm high
- * 1 layer of cotton lining that protects the bed from below
- * Stylish corner fittings in brushed aluminium
- * Minimum 4 sturdy legs, recessed to prevent you from stubbing your toes
- * 1 personal nameplate (can be engraved as required)
